```
graph BT; ImagesModel[ImagesModel] --> Galleria_Model_Collection[Galleria_Model_Collection]; Galleria_Model_Collection --> Galleria_Model[Galleria_Model];
```

The diagram illustrates a three-level hierarchy. At the base is a gray box labeled 'ImagesModel'. A blue arrow points upwards from 'ImagesModel' to a white box labeled 'Galleria_Model_Collection'. Another blue arrow points upwards from 'Galleria_Model_Collection' to a white box labeled 'Galleria_Model' at the top.
