

IndexController.indexAction

```
graph LR; A[IndexController.indexAction] --> B[Galleria_Controller._getModel]; A --> C[Galleria_Controller.getView];
```

The diagram illustrates a sequence of method calls. A central box on the left, labeled 'IndexController.indexAction', has two arrows pointing to the right. The top arrow points to a box labeled 'Galleria_Controller._getModel', and the bottom arrow points to a box labeled 'Galleria_Controller.getView'. The central box is shaded gray, while the two target boxes are white with black borders.

Galleria_Controller._getModel

Galleria_Controller.getView
